APPLICATION FOR INTERNSHIP OPPORTUNITY

(SURNAME & INITIALS: RAMOTLOU SE STUDENT NUMBER: 222005135)

RAMOTLOU SE is a student at Central University of Technology, Free State. The student is studying for the Diploma in Information Technology. Students who qualified in Electrical Engineering must first obtain work experience through internships to register as an Engineering Technologist. Students may commence their internships at any time.

Partnering with your organization will assist this student by providing practical training which the student desperately needs. Your organization will be under no obligation to take this student into your full-time employment after training.

Feel free to contact me should you need additional information about the student. Your favorable consideration of this application will be highly appreciated.

Yours sincerely
